Chief, Domestic Networks Division, OC

SUBJECT:

Temporarily Suspension of Service Changes to
 the Unclassified Telephone Network

1. A suspension of unclassified telephone service changes is required in order to rehome the existing service to new C&P telephone switching centers. Activation of the network will occur approximately four weeks after site preparations are completed at Ames Building. Requests for service changes may be issued immediately following network activation. Therefore, effective immediately and until further notice, the Office of Communications will be unable to effect any changes, other than of an emergency nature, to the unclassified telephone network for Agency subscribers in the following building locations:

Ames
